

## Open to all with an interest in Sports and Competition!!!

The West Winds Half Day Mini-Sports Camp for 4-6 year olds who want to learn more about and enjoy the many benefits of sports.

Our goal is to help Generation M (Media), to reduce or eliminate "S.A.D.D." or Sports & Activity Deficit Disorder by engaging them in activities and sports outdoors as much as possible. These activities will broaden their ability to appreciate sports, socialize better and enjoy the many benefits of team sports and games without the use of electronic media.

The spacious clubhouse at the West Winds village of Lake Linganore serves as camp headquarters. Frank Weaver and Ted Meyer will direct all camp activities.

### Sports (rain or shine!)

We have unique facilities which allow us the opportunity to keep the kids active no matter what the weather throws at us!

**Tennis:** we will provide professional instruction twice a week, plus additional opportunities to practice and compete. Soft, low compression balls, smaller nets and smaller courts guarantee our campers rapid improvement and success!

**Fitness:** our staff exercise physiologist will lead our campers in group fitness classes twice a week. Kids will learn the benefits of stretching and the many facets of strength building and conditioning.

**Team Field Games:** like Soccer, Capture The Flag; Tug Of War; European Dodge Ball; Basketball; Flag Football,; Kick-Ball; Volleyball...just to name a few.

**In all of our activities,** care will be taken to ensure the safety and fun for all involved. Our counselors will make adjustments to ensure that all campers find activities challenging and rewarding!
